

Environmental and Tax Reassessment Addendum

Rivergate Innovation District - Synthetic Agir V5 Test Fixture 3 - Confidential Draft

Additional Cost Reserves

This addendum identifies reserves and public-realm allowances outside the standard land, hard cost, soft cost, contingency, and financing categories.

Reserve / Allowance	Amount	Notes
Environmental reserve	\$6.5 million	Phase II soil handling and remediation allowance
Tax reassessment reserve	\$3.8 million	Post-completion property tax reassessment reserve
Public realm / offsite works allowance	\$4.2 million	Waterfront plaza, sidewalk, utility and streetscape allowance

These additional reserves should be included as other development costs when calculating total development cost.
