

Sponsor Investment Summary

Rivergate Innovation District - Synthetic Agir V5 Test Fixture 3 - Confidential Draft

Project Snapshot

Project: Rivergate Innovation District. Location: Waterfront innovation corridor. Deal type: mixed-use development.

Sponsor proposes a multi-phase waterfront redevelopment with residential apartments above innovation office and street-front retail.

Item	Sponsor Stated Value
Residential program	620 rental apartments
Retail area	36,000 SF ground-floor retail
Office area	120,000 SF innovation office
Total Development Cost / TDC	\$461.4 million
Sponsor equity / equity amount	\$184.6 million
Target exit cap rate	4.90%
Hold period	6 years
Selling costs	1.50%
Annual rent growth	3.25%

Capital Plan

The sponsor expects the senior construction loan and committed equity to fully fund the plan. The sponsor underwriting assumes no project-level funding gap after total equity commitment.

Important: the sponsor's 4.90% target exit cap rate is a sponsor view only and should be reconciled against the appraisal and lender term sheet.
