Collateral and Leasing Conditions

The lender requires evidence of at least 92.00% stabilized occupancy before conversion to permanent financing. The lender also requires confirmation that no single tenant contributes more than 55.00% of gross rental revenue at stabilization unless additional reserves or guarantees are provided.

The lender flags Horizon Commerce as an anchor-tenant concentration issue. The term sheet requires a \$5,000,000 leasing reserve if Horizon Commerce remains above 60.00% of gross rental revenue at stabilization.
