

Summit Point Logistics Park - Rate Lock Addendum

Prepared June 2026 | Financing update

Updated Financing Terms

Following market movement after the initial term sheet, the lender issued an updated all-in rate indication of 7.15%. This rate supersedes the 6.65% indication in the preliminary term sheet unless the sponsor posts additional rate-lock collateral before closing.

The lender did not change the loan amount of \$200,400,000, the 30-year amortization schedule, or the 24-month interest-only period.
